

Dear Supporter:

Everyone knows recycling is good for the environment, but did you know that recycling is also good for Albany Vegetarian Network, Inc.? We have partnered with Planet Green, a printer cartridge and cell phone remanufacturing and recycling company, to be part of an exciting fundraiser that recycles mobile phones and used printer cartridges – and we want you to be part of it!

If you use a printer, each spent cartridge could earn the AVN up to five dollars! Any old cell phones in your drawer? Those can make up to \$40. One phone may not seem like much, but if you get your co-workers and family involved – recycling is a great way for everyone to go green, while raising money for a cause!

*Taking part is easy – simply drop off your used inkjet cartridges and old cell phones with us – you can include cell phone batteries and even cell phone chargers. The drop-off locations are; **Honest Weight Food Co-op**, 484 Central Avenue, Albany, NY & **X's to O's Vegan Bakery**, 97 4th Street, Troy, NY.*

Your participation in this recycling campaign will raise greatly needed funds for the AVN to hold our annual NY's Capital Region Vegetarian Expo and various educational tabling events throughout the year. Let's work together, one cartridge and cell phone at a time, to clean up the planet and raise money for a worthwhile cause!

*Thank you for your continued support,
Albany Vegetarian Network, Inc.
